1. Raiymbek Batyr Station

Location: Nazarbayev Avenue / Raiymbek Batyr Avenue

Raiymbek Batyr is the eastern terminal station of the Almaty Metro. It is a convenient stop for travelers heading to **Almaty-2 Railway Station**, the **Green Bazaar** and the historic city center. The station's interior combines modern design with traditional Kazakh ornaments and rock-art motifs.

2. Zhibek Zholy Station

Location: Panfilov Street / Gogol Street

One of the best metro stations for tourists exploring central Almaty. It is close to the **Arbat pedestrian street**, **Panfilov Park**, the **Ascension Cathedral** and shopping areas. The station's design is inspired by the **Great Silk Road**, with decorative panels depicting famous landmarks along historic trade routes.

3. Almaly Station

Location: Panfilov Street / Karasai Batyr Street

Located in the heart of the city, Almaly is convenient for reaching the **Abay Opera and Ballet Theatre**, Astana Square and several cultural and educational institutions. The station's design features an apple tree, referring to Almaty's historical connection with apples and the meaning behind the city's name.

4. Abay Station

Location: Abay Avenue / Nazarbayev Avenue

One of the most useful stations for visitors. It provides easy access to the **Palace of the Republic**, **Hotel Kazakhstan**, **Republic Square** and the **Kok Tobe cable car**. The station is dedicated to **Abay Kunanbayev**, Kazakhstan's famous poet and philosopher, whose image and writings are featured in its interior.

5. Baikonyr Station

Location: Abay Avenue / Baitursynov Street

The station is conveniently located near the **Central Stadium** and the **Baluan Sholak Sports Palace**. Its futuristic high-tech interior is inspired by the **Baikonur Cosmodrome**, reflecting Kazakhstan's connection with space exploration.

6. Mukhtar Auezov Theatre Station

Location: Abay Avenue / Mukanov Street

A convenient station for cultural attractions. Nearby are the **Mukhtar Auezov Kazakh Drama Theatre**, the **Kazakh State Circus** and the **A. Kasteyev State Museum of Arts**. The interior features traditional Kazakh motifs and scenes inspired by theatre and nomadic culture.

7. Alatau Station

Location: Abay Avenue, between Zharokov Street and Gagarin Avenue

The station is named after the **Alatau Mountains**, which form Almaty's spectacular southern backdrop. Its interior includes artistic panels depicting the Trans-Ili Alatau mountain range and traditional regional symbolism.

8. Sairan Station

Location: Abay Avenue, between Brusilovsky Street and Tlendiev Street

Sairan serves the western part of central Almaty and is located near **ADK Shopping and Entertainment Center**. It is a modern, shallow-level station with convenient access to the surrounding residential and commercial districts.

9. Moskva Station

Location: Abay Avenue, between Utegen Batyr Street and Altynsarin Avenue

The station serves one of Almaty's busy western districts. Nearby attractions include **Moskva Metropolitan Shopping Mall** and **Family Park**, making it convenient for shopping, entertainment and family activities.

10. Saryarka Station

Location: Abay Avenue, between Altynsarin Avenue and Sain Street

Saryarka Station is located next to **Family Park**. Its architectural concept is inspired by **Saryarka**, the vast steppe region of Central Kazakhstan. The station features artwork depicting the Kazakh steppe, horses and the country's cultural heritage.

11. Bauyrzhan Momyshuly Station

Location: Abay Avenue, west of Bauyrzhan Momyshuly Street

Currently the **western terminal station** of the operating metro line. It serves the large residential districts in western Almaty. The station is named after **Bauyrzhan Momyshuly**, a celebrated Kazakh military officer, writer and national hero, and features a modern interior with natural-looking materials and contemporary design.

Useful information for visitors

The Almaty Metro currently operates **one line with 11 stations**, running from **Raiymbek Batyr to Bauyrzhan Momyshuly**. Trains provide a convenient connection between the historic city center and the western residential areas. The metro operates daily from **06:20 to 00:00**.

A standard journey costs **120 KZT**. Visitors can purchase a single-use smart token at the station or pay by bank card where supported; the **ONAY transport card** is also accepted.
